

CREATIVE STUDIO

Creative Studio is the pulse of creativity. High-quality prints, expressive tones, and modern contrasts turn fabric into a canvas for ideas. Powered by advanced print techniques, this group invites bold statements and signature pieces, where pattern leads the collection and color sets the mood.

TERRASENSE

Everything begins with the Earth, and in *TerraSense*, that essence continues. Designed for those who value substance over excess, this group redefines elegance through purpose. Responsible fibers, recycled sources, and natural tactility come together to form a cleaner, calmer expression of modern fashion.

TIMELESS ESSENTIALS

Effortless never goes out of style. *Timeless Essentials* brings together the fabrics that shape our everyday favorites, practical yet elevated, simple yet refined. Built for consistency and comfort, these core essentials are designed to last beyond trends, blending timeless quality with modern wearability.

CITY NOMADS

From workdays to weekends, *City Nomads* captures the rhythm of modern living. Smart, easy, and adaptable, these fabrics bridge comfort and function for a hybrid lifestyle. With balanced texture and movement, they bring polish to performance and structure to define this metropolitan spirit.

GRID LAB

In *GridLab*, the structure becomes the art. Precision weaves, layered textures, and graphic surfaces define a modern aesthetic rooted in form. With architectural balance and material depth, these fabrics transform structure into expression, wearable design built on craftsmanship.

TECH CORE

Every thread in *Tech Core* has a purpose. These fabrics are engineered for performance and refined for design, breathable, protective, and adaptable to every condition. They merge textile science with contemporary aesthetics, creating intelligent materials built for motion, resilience, and modern living.

KINECT

Kinect moves with you. Dynamic elasticity and smooth recovery make every garment a partner in motion, supporting comfort, flow, and energy throughout the day. These fabrics balance softness with control, flexibility with confidence, freedom engineered into every thread.

HIGH ROLLERS

Created for distinction, *High Rollers* celebrates the rare and remarkable. Refined weaves, precious fibers, and expert craftsmanship define this exclusive selection. Every fabric tells a story of precision and perfection, transforming simplicity into quiet luxury with character and grace.

AURA

Aura is softness translated into movement, light, tactile, and gracefully fluid. Designed to engage the senses, these fabrics flow naturally with the body, offering quiet confidence through touch. It's comfort you feel before you see, effortless elegance at its most serene.

OUTSTANDERS

Made to stand apart, *Outstanders* celebrates bold creativity and fearless innovation. Expressive coatings, vibrant tones, and unique finishes define a new generation of statement fabrics. Designed to shine in their own way, they turn the future to emotion and finish into identity.
